Approved For Release 2001/07/12 : CIA-RDP81-00706R000300080001-7

25X1A [redacted]

25X1A

10 June 1946

POLEC

Carried 21 priority documents to [redacted] 25X1A of the [redacted] Desk for scanning. She has examined them and given her recommendations.

25X1A Met [redacted] of the China Desk. He is responsible for the Economic Section on Manchuria. Checked into several of his old requests to WDC and followed them up with the necessary action.

Military Branch, F.E. O/B

25X1A Checked on the evaluation of Doc 197312 with [redacted] 25X1A and obtained a lower priority for handling. "Mobility. Changes & Revisions"

Army Map Service

Mr. Vogel of AMS arrived on Monday to discuss our map problems with [redacted] 25X1A and to assist [redacted] 25X1A on the Manchurian Maps.

GMDS

[redacted] Took two docs — #242820 and #242813 — on RR's in Russia to GMDS for evaluation. Obtained sufficient information to enable us to disregard translation of these two docs.

Russian Section

Parallel items needing further evaluation were taken to the Pentagon Friday but no results were obtained since Col Shinkle & his staff were tied up in a conference.

Adjutant General's Office

Spoke to Capt Sasse of the Casualty Branch regarding handling of documents which could be used in connection with [illegible]
